FROM THE PRINCIPAL

As we are celebrating 150 years of Public Education at Tirranna Public School this year we would like our school to look its best. We will be having a Working Bee on Saturday 21st September from 10.00am to 1.00pm. We would like to remove all the rubbish, do some gardening, tidy the grounds and remove all the fallen pinecones and timber.

Remember many hands make light work so if you could please mark this Working Bee in your calendar and help it would be greatly appreciated. Please let us know if you are available to help and tea/coffee and morning tea will be available.

REGIONAL ATHLETICS

Congratulations to our relay team of Isaac, Reuben, Sophia and Will. They won the relay at South Coast Regional Athletics last Friday and will now progress to the State finals in Sydney in November.

Also congratulations to Aeonn, who has qualified individually as a South Coast State finalist in discus.

NAPLAN

NAPLAN results have come out. These are to be celebrated, with all students achieving their best. We had some big growth in Year 5, with each student achieving double the expected growth in at least one area. Well done team!

VICTORY BELL

Our bell out the front is being repurposed. We will ring this to acknowledge significant successes/growth in learning and to acknowledge achieving goals as a result of effort and perseverance.

150th CELEBRATION

Invitations have now gone out. Please RSVP to this ASAP for planning purposes. The students are performing so it would be appreciated if all students and families attend.

ENROLMENT

Recent changes to DOE Enrolment Policy has meant that all schools have to review their procedures about taking non-local enrolments. As a result of this review, in consultation with our Director, Kim Paviour, we remain open for non-local enrolments. Each application must be considered against a selection criteria. This is not a significant change for Tirranna.

FILMPOND

Our TREC teachers are currently putting together some footage to showcase the amazing work our education community network does. The footage may include student interviews, visiting performers, sharing days, camp activities and sporting days. The raw footage is edited by film school graduates into a professional and engaging short film, which can be shared on our school websites. Attached to the newsletter is a Filmpond consent form for completion, signature and return to school by Wednesday, 25 September.
