## School Photos

School Photos will be taken on **Wednesday 28 October**. Please return ALL order envelopes so that they can be given to the photographers. Students are to wear full summer uniform so we all look beautiful and fresh showing pride in ourselves and school by wearing our uniform.

## PRINCIPAL'S REPORT

Dear families,

We have a small garden shed that we were gifted and this needs assembly. This will be used by students to store all their gardening equipment. We've paved the area and just need the shed to be assembled and bolted down. If you or you know of someone who can help with the assembly of this shed please let us know?

This weekend is 'Relay for Life' Relay Your Way. To help support some of our staff members who will be participating in this event to raise money for the Cancer Council, Thursday will be a casual clothes day. A gold coin donation will be very much appreciated to support this worthy cause.

K-6 will be undertaking mandatory child protection work throughout Term 4. K-3 will be separated from 4-6. Teachers will lead lessons on recognising abuse, power in relationships and protective strategies. Please get in contact with classroom teachers to discuss this if you would like more information.

Our PBL focus, "Be Punctual" is a fantastic skill to learn. Staff and families can all support our students to be on time for school, to after school activities and when going to bed at a set bed time.

We look forward to seeing all students in their full summer uniform for school photos first thing tomorrow morning, 28 October.
