Order forms must be return by the Thursday before.

PRINCIPAL'S REPORT

Dear families,

Welcome back to all our students for Term 3. Thank you to all our families for following the **COVID safe guidelines** while we are on Level 2 restrictions, this helps keep everyone safe.

In the classroom Kindergarten are about to start the **Lipi 1** spelling program. Watch the Class Dojo for the sound cards, word lists and sequence so that you can help at home. All students are working on **narrative writing**, we're looking forward to sharing these in our newsletters and on Class Dojo.

In Geography students will be learning about **Antarctica** and in Science the focus will be on **Digital technologies**.

A reminder to students to keep practising the recorder and working on the **Premier's Reading** and **Sporting Challenges**. As part of the Sporting Challenge we will be starting **Jump Rope for Heart** next week. Please register you child as per the instructions on the following page. If you have any questions please contact Mrs Humphries.

The students have almost reached the top of our '**Pebble Jar**' which means they can start planning for their whole school reward. Well done everyone.

Our student leaders are planning a **Green and Gold Day** to support our Tokyo Olympians on Thursday 5 August. Students will be able to purchase green and gold donuts from Trapper's Bakery and can wear Aussie Colours of green and gold on the day. A mini Olympics is being organised on this day too!

It is important to us that parents are given the opportunity to share their thoughts and opinions about our school and what we are offering your children. Please take the time to fill in the survey. If you would prefer to use the anonymous Google Drive link to fill in the survey, please use this link:

Tirranna Public School

Jump Rope for Heart kicks off this term!

Jump Rope for Heart is a fantastic physical activity and fundraising program that has been run by the Heart Foundation for over 36 years. It's a great way for your child to keep fit and learn new skills, but it also helps raise funds for vital heart research and education programs.

Since Jump Rope for Heart started in 1983, schools like ours have raised more than \$104 million for the Heart Foundation's lifesaving work.

It's important you **register your child online**, so they can receive the full benefits of the program and participate in online fundraising, simply follow the link below to get started.
www.jumprope.org.au/parents

Students will be skipping, after lunch during this time you can share their online fundraising page with family and friends to help raise money for this great cause. We will hold our school Jump Off Day on Thursday 16 September, this will mark the end of the program and is a chance for everyone to come together to skip and show off their newly learned skills.

Thank you for supporting the Jump Rope for Heart program!
