Term 4 Week 7

Congratulations Heather

Year 6 student Heather has worked very hard all year to secure a highly coveted Agricultural Scholarship for High School. The application process began in March this year and involved multiple tasks, including creating a video and writing a personal reflection. This scholarship means that Heather has secured a place in the agricultural program at High School and this will allow her to keep growing her passion for agriculture. As you are aware, one of our school core values is Aspiration. This is an amazing example of a student being aspirational and working hard to achieve their goals. Very proud of Heather.

Small Schools Chess Tournament

Last Friday Eli and Max travelled to Breadalbane Public School to participate in a chess tournament. They played approximately ten games against students from other small schools. Max won six games while Eli won seven. Well done to both Eli and Max.

PSSA District Cricket

Last Friday Charlie participated in the PSSA cricket trials at Wollondilly Public School. Although Charlie did not qualify for Zone, he thoroughly enjoyed the day.
