ATTENDANCE-O-METRE: KEEP UP THE GREAT ATTENDANCE

Term 2 Week 8

We came 2nd !!!!

We received an email regarding our entry in the School Art Competition at the Royal Canberra Poultry Show 2024 saying the Vice President, Toni Rolls selected our group artwork to receive 2nd Prize. We have won a \$250.00 voucher to spend at Eckersley's Art store for the school, and a certificate from the Royal Canberra Poultry Show.

Think Tank: A critical thinking workshop

We had to think about how we could wash our pet, which was an African elephant. I thought it would work if I got a really deep pool big enough to wash it in. We also had to think about how we could stop people stealing from others, and then we talked about poverty and what that means to everyone. We were put into groups of six and were given a piece of paper to brainstorm on how to stop something, and my group got 'littering'. We thought of a basketball bin, which has a backboard, a basketball hoop and a sensor at the bottom to see if you scored a shot and how far you had thrown it. If you missed the bin or didn't pick it up after your shot you would receive a fine of \$150.00. We also thought about different careers and why they should be allowed to stay on a hot air balloon. We then voted and the person with the most votes was kicked off the hot air balloon. By Charlie

Longer lasting vegetables & fruits

Canned vegetables and fruit can be really handy for lunchboxes and they are just as nutritious as fresh foods!

Why not try:

- Tinned fruit in natural juice - serve with pikelets or reduced fat yoghurt
- Canned beans like chickpeas or cannellini beans – use to make dips like hummus or try making your own roasted chickpeas as a snack
- Add tinned vegetables like peas, carrot or corn kernels to rice or pasta dishes
- Tinned corn kernels- on their own as a snack or try making corn fritters!
